“ Aman Sihota was very dear to me.I had the opportunity to meet him last year as his Radiology Supervisor. Aman was such a great and loving guy, he prepared many delicious spicy meals for me to make sure that I was healthy, and was eager to learn and give up himself to assist anyone and everyone that would come across his path. I had the pleasure of meeting his sweet and loving Fiancee, Ms.Jeet, they were a lovely couple, And we all just loved each other. I will miss his glowing smile and his contagious laughter., he was such a gentleman and a scholar.

“ *My Dearest and Lovely Aman Bhaiya: It is painful to accept that I can't see you again and hear your kind words but I can feel your love and brotherhood that is because of your pure Devine soul power.*

Your Devine soul will be always around us to feel you close in our heart as you were, are, and will be always.

People like you are rare now days in this world who cares, loves, and comes forward to hold the hands of and support the friends, family, Youngers and needy ones, I know many people who got your unconditional love and support I am one of them to experience how amazing and selfless human you were in helping others without any self-interest.
