“ Dre...I remember the first time my mom took you to Belle Isle beach to swim and you refused to get in the water saying it was too dirty lol!😂 But after seeing Brian and I having fun and all the other kids, you finally caved and got in with us! 🗄️ I remember you teasing my friend Katrina about the Lucky Charms 😂 Or you always asking me what my gpa was and telling me how important my grades were...typical big brother. You were with us when I got my ears pierced and you laughed bec I cried. How about the time you and Brian rode your bikes from Bradley st all the way to Dawns apartment in Okemos but couldn't ride back so Jimmie had to come get you two in his white pick up truck. Y'all were crazy for that. You asked for soda one day, I was like what's soda? Lol! You had a whole different vibe...that Baltimore swag, always dressed fly and kept some ocean waves in your hair ✓
When you were in that accident, my heart broke for you. 😞 I was upset for you...but you always remained so positive. At that time I was pregnant with my oldest son...I named him after you. His dad wanted a Jr, I said absolutely not. His name will have Andre in it. So I named him D'Andre! 💙👏👏 I know that you're ok and with "Pops" now.....See ya later 🗄️🗄️
