The Atkinsons were family friends as we grew up together. We spent time in their home. My sister was in Ann's wedding. So many memories. Our condolences to your family.

“ *Some of my favorite memories of Aunt Anne were our outings as a child she took my sister and I to go see the movie Aladdin which is my childhood favorite. Movies were her favorite too. She also took her nieces and nephew to see the Black Wax Museum in Baltimore MD. Another great memory were the Sunday dinners with family we spent over her house. There are so many great memories with Aunt Anne can't name them all she truly will be missed!*
