“ Aunt Betty gave me many memories. My favorite is connected to the upcoming Holidays. She made loaves of Banana Nut Bread and sent them to my family for Thanksgiving. She made Peanut Brittle for us at Christmas. It was a great addition to our holiday meals. I'm so glad my family experienced these Special acts of love from her. She had a place in my heart, and I will always cherish it. 🙏🌹 Sue Davis ❤️

In memory of my special friend Betty, whom I met 40 years ago. We worked together at the Academy. We traveled together to Sickle Cell meetings and conferences. When my mother passed away in South Georgia, Betty said I'm going with you, and it was certainly a blessing to me. We could call on one another whenever. Betty was always there to help anyone in need. To Jonathan, Eric and Jane, "she was a friend indeed". Betty also shared those sweet treats with my family.
