“ *Don, you were a great work pops, I always looked forward to us working shifts together at Fairlakes or Tyson's corner. You were kind and protective over us young ones and love to try to guide us. I am so saddened to hear of your transition without being able to see you recently, sending so much love and healing to your family and loved ones. Anytime I listen to Chaka Khan songs I'll always be reminded of you.*

“ To Jackie and family. My heart and deepest sympathy goes out to you and your family for the loss of your Son. I can't begin to imagine how you must feel. I send to you all my love and prayers. May God give you comfort in knowing your Son is resting in the arms of God. We never know the day or the hour. Find comfort in those memories of times spent together. Hold your Son in your heart...there he shall forever live. I love you and wish I could be there with you in person. But let it be known I am with you in spirit. If you close your eyes for a moment feel my arms surrounding you with love. I LOVE YOU MY FRIEND. You have been so supported to me in and out of my times of need. Sending you Prayers, Hugs, Kisses, Comfort. Sing a Song!!!
TRUST GOD!
Luv ya, Rita (Table 19)
