

Edward Lawrence Ramsey

December 2, 1955 - January 29, 2022

Edward Lawrence Ramsey was born in Brunswick, Georgia on December 2, 1955 and departed this life on January 29, 2022 following a brief heart-related illness.

Ed spent over 20 years proudly serving in the United States Army. His duty stations included military installations in Panama, Louisiana, Walter Reed Medical Center in Washington DC, and Fort Sam Houston, in San Antonio, Texas. Following his military retirement, Ed served as a clerk in the United States Postal Service for 27 years. Most of those years were spent at his beloved Olney Post Office where every customer became a friend.

Ed enjoyed his side operation as a lawn care specialist and enjoyed meeting and greeting his weekly customers. Ed believed that in addition to a daytime job, one should also have a side job. He taught this principle to all of his hardworking sons. Ed was also known for his love of automobiles and enjoyed working on his vintage BMW M3 which he continued to drive every day. His Sunday grill sessions during the warm spring and summer months were relaxed yet unforgettable.

He leaves to mourn his loving wife of 31 years Sharon Mosley Ramsey, and 4 sons, Edward Spencer of Germantown, Md, Lance Stanton and Hunter Shane of the home, and oldest son Marcus Ramsey of Virginia Beach, Va, a brother

Bobby Ramsey of New Orleans, 3 grandchildren Sydney Moss, Teonnie Wood, and Ayden Collins- all of Virginia, and sisters-in-law Cynthia Mosley Coleman (Ron) of Ellicott City, MD, Sharon's twin sister, Karen Mosley of Durham, NC, an aunt Delores Delcine Hester of Ashton, Md, 4 nieces and nephews Derek, Courtney, Noelle, CJ and a host of friends in his loving community of Olney, Maryland.

My sincere and deepest condolences to the Family. Eddie, husband, dad, brother, cousin, Uncle and friend was a great man. To God be the glory 🌹 You came and you conquered.

For all the many souls you touched at that post office they should name it in your honor. Thank you Jesus for planting him at that Site Job well done 🙏

May your soul rest in heavenly peace. 🕊️

You will surely be missed. 😞 The wisdom that God bestowed upon you, your vessel, kindred spirit he used to touch lives at that post office you made people feel worthy and appreciated when they entered those doors, glad to see you, see you next time 🕊️

I was deeply saddened when I learn the news today I lost my fellow spiritual brother as a customer for twenty years. 😞

I was already sad you said you were retiring so I knew when I went in that Post Office and your kindred spirit wasn't going to be there was even sadder but God called you home, can't complain.

We never know the day or time...

That wasn't even my Post Office I live in Brookeville, but his Spirit, the vessel God was using his professionalism and genuine energy would draw you to visit that Post Office. I gained a friend

and lost a spiritual brother. Thanks for coming, see you next time 🕊️

May your wholesome grounded foundation live on in your seeds.

Well done my brother. Well done God said you can come on in 🌹

Rip 😞

“ I always thought of Ed as the 'mayor' of Olney because it seemed like he knew every, single person who walked into the Post Office. And it never mattered if the line was 20 people deep or if there were just 2 people waiting--Ed treated every person as if he or she were the only one there, with the same level of enthusiasm, kindness, and respect. Ed's passing is a reminder that there are no guarantees in life and that each day, each hour, each minute--is a gift.

Extending my most sincere condolences to the whole Ramsey family. Thank you for sharing Ed with us for so long. He was appreciated, loved, and held in high esteem by all. We are all better for knowing him. Keeping you in continued prayers, the Mascott family

“ Eddie was a source of joy and strength to his family and friends. As a colleague and friend to Sharon, there were so many times when Sharon would talk about Eddie with a twinkle in her eye and a giggle. That light shines through every time she talks about her sons, as well. That light will always be there - shining strong on the inside!
Love to you all

“ My uncle Eddie was one of the kindest people I've ever known. He would always greet me with a smile and a big hug, and ask me how I was doing. Holidays and trips back home will not be the same without him. I'm forever thankful for the years of good times & memories we were able to make all together as a family. You don't meet people like my Uncle Eddie everyday. I'm blessed enough to call him family.

“ My Uncle Eddie was truly one of a kind. He would always say “Life is Good” and that was the motto he lived by, no matter the circumstances. He did a phenomenal job not only as an uncle, but worked hard as a father, a provider, and overall was genuinely a wonderful person. He was patient, kind and always understanding. He was quick to teach, slow to anger and always willing to help. May God continue to grant the family peace that surpasses all understanding. We love you all and are praying for you all <3

“ Uncle Eddie was a great and wonderful man. He is a diligent worker, a great father, and an absolutely wonderful husband. He was never afraid to carry too much on his shoulders and is one of the few people who always enjoyed working. I am very devastated that he is no longer with us, but I will say; “Do not lament that he is no longer with us, be happy that he was.” He has worked for so long, it’s finally time for him to get some rest. He deserves it for all the good he’s done in this world. And I know for a fact that he can finally relax, living on as a profound individual who we shall remember with nothing but love, respect, and praise. God bless you, Uncle Eddie. Enjoy yourself for you are now relaxing peacefully in heaven.

“ My deepest condolences to Ed's family. I did not know Ed personally, but I looked forward to his cheerful demeanor every time I visited the post office. I would often tell my husband and friends how pleasant a trip to the post office was because of Ed. The last time I visited the post office, shortly before Christmas, he was not there that day and I recall being disappointed.

One time I went to mail out a Christmas fruitcake to a family friend as I do every year, and Ed served me. He asked me if my package contained anything perishable and I said it was just a fruitcake. He gave me a look and smile as if to say "wrong answer". I tried to fix it by assuring him that there was enough rum in the cake to preserve it. He gave me another look and smile because I had just shared that my fruitcake contained alcohol. Another "wrong answer". We both smiled and he cheerfully took my package and labeled it for shipping. Whenever I go to the post office, that is the memory I will have.

“ I just knew him as "Ed" but he had no idea how much he served me during some tough times in my life. When life had beaten me down and the outlook didn't seem bright, I could drag myself into that post office and Ed would brighten my day. I envy the time his family had with him - we were all blessed to have known Ed. I am so sorry Ed didn't make it to retirement but somehow I think his retirement wouldn't have been what many of us envision - I think Ed would have always been doing something. I envision Ed sliding into home plate in Heaven saying "Man, what a ride !" If I could have one tenth the impact you have had on this community, I would be truly be blessed. God's speed buddy !

“ Mr Ramsey was such a kind, energetic, positive soul. Always, always uplifting each time I was blessed to cross his path at the Olney Post office. He will be greatly missed by myself and surely many of the Olney community. May his family, friends and co workers be comforted by the thought of his memory. Rest In Peace.

“ Rest in Peace, "Coach' Ed. Hopefully you will be comforted in His Kingdom. I always enjoyed our small talk whenever I bumped into you at the post office or elsewhere as we compared notes on our sons, Shane and Alexi, and we shared football talk. I was saddened to hear of your passing and my thoughts and prayers go out to your family and loved ones. -- 'Coach' Bill T.

“ Ed was one of the most kind and generous people I had ever met. Did not know him personally. only through my visits to the post office. He always had a warm greeting and a willingness to help people no matter how complicated their postal needs were, and if you were short a few cents he would always make up the difference and say " catch you next time". He will be missed.

I think today we are reminded that tomorrow is not promised, in early December I stopped by the Olney post office to wish Ed a blessed retirement and thank him for his years of cheerful service to the community. I invited him to not forget the Olney residence and please return in the spring for the Olney day's celebration and bring out his M3 Beemer. I was crushed to learn of Ed's passing and would like to extend my heart felt sympathy to his family at this time and may the grace of god give you peace and understanding in the days ahead.

Uncle Eddie was one of a kind. My fondest memories growing up were holidays at the Ramseys and sitting around watching whatever football, basketball & sometimes movies. Uncle Eddie always had us in stitches. Going to miss him greeting us at the door with that strong handshake of his always saying "What Up Big D." Love you forever Uncle Eddie! Sending love to all the Ramseys on this day and praying to God for strength through these times.

Brother Ed Ramsey is a man with great character and integrity dedicated, a hard worker and he loved his family. I met Ed twenty-some years ago at a Union meeting, we were shop stewards every month he was always the same pleasant, cool-headed, gentle, and polite unlike some of us. Olney's post office will never be the same. We send God's blessing to Ed's family and friends. Rest in peace, my dear Brother. In Union Solidarity.
