“ Haven't seen you in quite awhile but you look well. Your brother, Larry has joined you now so you can hang out and remember then and invent NOW. I've been very proud to have you as my 1st cousin. I'm glad you're finding peace and grace. Uncle Bob and Aunt Marcell raised wonderful men and women. You should be proud of the work you've done here and now that your other brother is joining you and Larry, Thomas, it doesn't get any better. With much love and grace, to you and the people who created you, Right on.
