“ It's taken me this long to have a memory because I'm still struggling with the idea that God has called you home. I've been speechless in regards to expressing my grief. We had plans. We were supposed to get things in order to start traveling together again. I'm giving it my all trying not to question God. I know better than that, but it's hard. I'm heartbroken, but I know you a free spirit without any type of pain. You'll always be lil' sis to me and that's all that matters. I love you and miss you so much. Until next time...

“ *My Gee! My Heart! My Sister! MY BEST FRIEND! There are NO WORDS to describe the pain and heartbreak I feel not having you here. No more "Kymberly Anne", no more "My Starr", no more "I LOVE YOU GUHL" to soothe my days. I don't know where to start or end anymore. I thank God for giving me you and the last 18 years spent with you have been AMAZING! I haven't been allowed to keep my promise to you thus far but I stand true to it until I join you again. Kiss my nephew and keep watching over us!!!! Tell him he can stop throwing pictures off the wall now. I LOVE YOU WITH ALL MY SOUL! I MISS YOU SO MUCH! Rest Peacefully My Little Sister!*

“ Mom,

I am truly lost for words. I never knew I could feel a pain like this. I wish I had the power to take back every pain, worry, and hurt that I ever gave you. I wish that I could just undo all the moments that made you blue. I wish I had more time with you. I miss you mom. You will continue to shine like gold in my memories. I love you with all my heart.

Until we meet again,

Dyamond ❤️

“ My dear friend Georgia.
The Bible says to be absent in the body is to be present with the lord 🙏 So now that you've taken your seat in his kingdom I pray you are at peace. You've made your mark on this earth one that would not be soon forgotten, you've touched so much people with your kindness & grace something that's not easy for everyone but it was for you... You've been an exceptional friend/sister too me & my family you always showed us so much love, you had a tremendous bond with my hubby y'all Gemini bond lol. I am so saddened of your passing but I do know God don't make mistakes. You will surely be missed Georgia but you memories will live on in each and everyone you've affected & infected with your love & kindness 💔🙏 Sleep well my friend 🙏🙏🙏

“ Miss Georgia,

We've only known you for a short time, but during that time, you were the most kind hearted, caring, sweetest, thoughtful, loving Mother and friend that anyone could ever experience in a lifetime. Your love ❤️ for family and people stretched far and wide. You will truly be missed.
