“ *Very hard working man on earth , never seen in my life , who has seen various up & downs in life since after marriage. Things changed in family business. He started working hard to prove him & he proved since 1980 onwards. Seen so many hardships but with little resources he could make both sons educated , good houses made over span of time with sons help . Both sons Gimmy & Montu overturned everything of past & made life of all success 🙏. Particularly if speaking of works done by Ninii jee ja jee that one is unforgettable for his family. I ☐ Salute his life journey. Everyone should take lesson. 🙏🙏🌹🌹🌹*
