

## Jayaben Sharma

August 15, 1962 - September 15, 2024

Mrs. Jayaben Sharma, a beloved wife, mother, and grandmother passed away on September 15, 2024, in Clarksville, MD, at the age of 62. Born on August 15, 1962 in Rajasthan, India in a Brajwasi family. She grew up in Mumbai. She is survived by her loving husband, son and daughter, and 4 lovely granddaughters.

She was very friendly and a loving person. She had a God gifted ability to connect with people. She moved to the US a couple of years before Covid. In such a short time, she made lots of friends. She was a genuinely caring person. She was very generous and has helped so many people, it doesn't matter if it was family or friends or a stranger. If she had \$10 she would donate \$8 out of that. We will continue her tradition of helping others and pass it to her grandchildren.

She was diagnosed with ALS in 2020. She had symptoms of ALS in around 2016 with weakness starting in her left hand. She never let others feel what she was going through during ALS. ALS has been a tough journey for her. It took us three years to diagnose the disease. She tried every single drug possible and fought till her last breath.

She will be remembered as a loving, energetic, friendly, and dedicated wife, mother and grandmother. She was resilient regardless of life's challenges. Mrs. Jayaben Sharma will be deeply missed by all who knew her and may her memory be a blessing.
