*Jai Swaminarayan, I had very unique relationship with Jayeshbhai in short time I spent with him. I really enjoyed his company. Doing kitchen seva with him was real fun. He always cracks jokes and make surrounding environment funny. As everyone knows he was big contributor in kitchen over the period of long time. He will be surely missed. We pray to god that he gets akshardham sukh and give strength to family.*

*I do not even know if he knew me, we never had a "pariche" of each other, nor did we ever have a conversation. But whenever he saw me on Sunday at Mandir, he would SMILE & say Jai Swaminarayan. I have a small kid so if he saw me with my kid he would ask if he was hungry and gift him with a snack. This really touched me. If we can take away any life lessons from PB Jayeshbhai is always SMILE, what a loving legacy he has etched. My heartiest prayers for his entire family. Please keep smiling and cracking jokes like he would always. Jai Swaminarayan*
