*I got to say I am at a loss for words. You tricked me into moving up here but its one of the best decisions i've ever made. You are one of the first actual friends I made that job corps center we went to. I really do hope that you know that you were a pillar in a lot of lives that you didn't you were a part of.... Please rest in peace my friend*

“ We met in paideia school 24 elementary school. Jevon was an intelligent, funny. And cool kid. We also went to Emerson Middle School together. He was my childhood BFF. Thank you Jevon for being my friend and always looking out for me in school. Jesus said, “I am the resurrection and the life. Those who believe in me, even though they die, will live, and everyone who lives and believes in me will never die.” - John 11:25-26. Sending my prayer and healing energy to cover your entire family. #GoneButNeverForgotten
