“ *Maasi was the backbone of our family. She has done so much for all of us. She taught me for my 10th boards and I scored the highest marks in Hindi.*

*This picture is from August 2013, when I visited her home in USA, she was so glad that for the first time, someone from her 'peke' side visited her.*

*The other picture has the shabad written by her in her own handwriting. She told me to recite it everyday.*

*She always used to bless us and pray for our well being.*

*May she rests in peace 🙏*
