So sorry to hear about Nicole. I just saw her two months ago and she still had that same big beautiful smile as always. Gave me a hug and said let's keep in touch. Praying for the family she will truly be missed.

“ To the family of Nichole, God will protect your heart and mind. There will come a time when we will see her smile and "sweaty nose" again.

I remember when Nichole was first born. Not knowing who I was at the time, I stood at the foot of Yolanda's bed waiting for the nurse to bring her beautiful bundle of joy. If you know Yolanda Traynum-Haskins then you have to know her reaction to this big woman she didn't know. Well I was one of Neal's firehouse buddies. The funniest part was the talks of naming that baby Nikki. Well if you know Yolanda, she wasn't naming her baby after no big ole woman from the firehouse. So the closest we got was Nichole but her nick name was Nikki. Missing you is a understatement.

“ *Our Rose of The Golden Girls was called to be with Allah. I won't question it and do my best to control my anger and hurt because I don't understand why you're gone so soon. Never in a million years did I think I'd be grieving the loss of my baby sister. You left us knowing you were loved, touched many lives and served a purpose in everything you did. #ILoveShe 🤔🥰🤔🥰*
