*Dear Patel family,
Our hearts are with you in the loss of Prakash. He was truly a wonderful man- so kind, pleasant, and always ready to lend a helping hand. We will forever cherish the memories of our incredible RV journey to Yellowstone, the Badlands, and all the beautiful places along the way, made even more special by his warm companionship. He will be deeply missed.

“ *My memories of uncle were growing up in Denver before we left and moved around. I have very fond memories of parties at our house or times at his with the group of friends my parents had. Although, they are distant memories due to time, they are no less valuable to me. My deepest memory is the joy my parents and family had with uncle, auntie and family. I cherish the fact that by chance we got to see him after many years. Sending our love and strength to auntie and the family! with love Sunil & Asha and family.*

Yes indeed, dear Prakash's passing was totally unexpected, sudden, and shocking leaving us all who knew him in any way, shape or form deeply sad and lost! While us feeling this grieved, we can 'only imagine' how heartbroken and devastated Varsha is feeling! As the most gravely affected, her heart wrenching pain has no words to describe! Of course, Purav and Payal are also struck with the deepest grief of loosing their beloved father! There is no other strong bond relationship like father-child & mother-child that was only created and blessed by God and Nature! However, the entire family has lost a deeply loved and loving figure in the form of either a husband, or a dad, or a father in-law, or grandfather! No matter how much we grieve and protest, absolutely nothing can reverse the decision of Destiny to bring our loved one back to life. While destiny has done its dirty work, now on God Krishna will look after and protect Varsha and family and slowly but steadily heal them from inside out, of the deep bruises of the pain of loosing their loved one!

My wife Madhu and I have known Prakash and Varsha since about 1979 from Denver Colo. Then later on, my children also have known them as nice and sweet family friends! Prakash, along with Varsha, has always been a loving, caring, helping, and great long time friend with us! We have accumulated great sweet memories with him and Varsha including the latest ones of Payal's wedding, our son Sanjiv's wedding, and Purav's wedding etc! We will always cherish and treasure your love and memories ❤️!

We are all praying 🙏🙏🙏🙏🙏 for the obstacle free and painless journey of Prakash's Soul into the merciful arms of God where it will rest in peace for an eternity!

Madhu and our family are praying for the physical, moral, and spiritual strengths to bear the loss of your loved one 🙏🙏🙏🙏🙏 ॐ
Shanti ॐ

“ Prakash was an amazing person, leader, mentor, and colleague. He delivered so many successful projects over the years, and his contributions will always be remembered. I feel especially grateful that I had the chance to see him about two weeks ago during a project public meeting after such a long time — we talked about so many things. He was looking forward to retirement and was still figuring out the activities he wanted to pursue.

I, personally, and the team at Parsons will miss him dearly.
May God grant his soul eternal peace. 🙏

“ Our thoughts and prayers extend to all of you who are faced with the displeasure of losing a loved one to our worst enemy called Death, in these critical situations it's normal to feel helpless not knowing where to turn. However, our heavenly creator has assured us in HEB: 6/11 that it is impossible for him to ever forget us, He also stated in John:5/28/29 that all those in the memorial tombs will here is voice and come out, So GOD is given us all his promise of hope of us being together once again. Meanwhile we can give our thanks to the funeral directors: for their perfectional assistance and their heartfelt concern toward the unfortunate friends and families; THANKS.

“ *Prakash was a true professional and a genuine leader.*

I had the privilege of working with him alongside several infrastructure projects in the DC area, where his guidance, clarity, and dedication were evident in every discussion and decision. Beyond his professional excellence, he was kind, respectful, and deeply committed to the people he worked with.

Prakash will be greatly missed, and I am grateful for the opportunity to have worked alongside him for the past several years.

My heartfelt condolences to his family and loved ones, including everyone from the Parsons team.
