“ A mother's love is always with her children. Losing a mother is one of the deepest sorrows a heart can know. But her goodness, her caring and her wisdom will leave like a legacy of love that will always be with you. God gave you the best he had, and you all took care of her as best as you could. That's why she always looked happy and always smiling. Her gentle Smile was like her trademark . There are no goodbye, wherever she is she will be in your hearts just like her name "PRATIMA "
OM Shanti !
