This service was so nice. I'm glad I was able to see it, even though I couldn't come. I met Sandy in 1976 when we were both working at Upjohn Healthcare. Sandy's desk was right behind mine. We became good friends, and continued to be up until she passed. It was all because of Sandy, she was the one that called because she was so friendly and outgoing she kept our friendship alive. I truly loved Sandy. I have so many wonderful memories of her. Even though I haven't seen her in quite a few years because of the geographical changes in our lifetime I'll miss her very much.

“ *There are many find memories with Sandy. They all start and end with laughter and a treat in my pocket. THAT was/is the spirit of Sandy. A delight. A wonderful devoted woman of faith and care. Ahe always welcomed me into her warmth. I am grateful to have had the experience of this spirit. Loving you Sandy. Stephanie*
