It's unbelievable to loose some one who is around. We share the burden and may his family and all of us get the strength to endure this. We miss you Sunil.<3<3<3

“ I have the privilege of meeting Sunil when we both supported TSA in 2013. We remained friends even after we left the program. Sunil was a mentor and helped me navigate the consulting world as I had recently joined the corporate world after my military career. Patient, wise, and always forward thinking, I owe much of my success to Sunil. Thank you Sunil - I owe you a debt of gratitude and will fulfill that debt by continuing to pay the wisdom and knowledge you imparted to me - forward! Peace -
