Praying strength, comfort and peace to cousin Terrie's children, family and friends. Growing up during visits with Uncle Charles and Aunt Judy, it was always fun spending time with cousins Sherrie, Terrie, Kimberly and Paul over the years. Our families had always stayed in touch.

On occasions Terrie visited Memphis, TN especially for weddings and events. We often saw her whenever we visited the Baltimore area.

Terrie was loved and we will truly miss her cheerful smile and joyful heart. Love and blessings to the Griffin/Jacobs family. We must continue to trust God and allow "The peace of God that surpasses all understanding guard our hearts and minds in Christ Jesus" Philipians 4:7

“ I hired Terrie at EPA launching her Federal career. It was one of the best decisions made. She radiated light and laughter in our every engagement and among those within her presence. She absolutely adored her children, evident of the many stories she shared with me.

I am forever grateful for each moment we shared and my back she covered, authentically and genuinely. May love, grace, and peace abound!

“ I met Terrie in 1998 when we worked on a project together for INS/DHS and we became fast friends. She was always happy and never looked on the bad side of anything. She was always positive. We got in trouble and out of trouble together and through all these years, she has always been there with encouragement, humor. She always loved her kids and talked about them all the time. We would go through the trials and tribulations of their growing up and she kept us in stitches with her stories. She was so happy when she had her first grandchild little Max. I miss her dearly already. May she rest in peace and there be comfort to her family

“ Terrie and I worked together at EPA for 13 years. As an IT professional, Terrie was successful both as a civil servant and in the private sector. At EPA, Terrie played a key role in the launch of the Agency’s financial system and served as a contracting officer and project manager. I enjoyed working with Terrie. I fondly remember talking with Terrie about seeing motion pictures in the theater. Terrie loved to see movies in the newer theaters with reclining seats. She explained to me that you had to get there early and get ALL of the refreshments - popcorn, candy, and a drink and then snag the best seat! We also enjoyed trading notes on our vacation getaways. I am thankful that our paths crossed and that I had the opportunity to work with Terrie. I miss my colleague and friend.

“ I worked with Terrie at the EPA. When I first started she greeted me as the new person in town. We bonded instantly and she always motivated me to do and look my best! We laughed often and talked fashion a lot. She was like a big sister on the job for me. She will be missed.

“ I remember when I first met Terrie. We were attending an all hands staff meeting she had just joined the firm and was working the room like a politician. She had an infectious smile and joyful spirit - we became friends immediately. She will be missed 💕💕

“ Nysei and I we're headed to Terrie's beach house is when I first met her, we had so much fun. Then we would see each again at Nysei's retirement, it was a Girls Thing with Nysei's GGGs. Terrie thanked me in a text and also texted "I hope to see you before summer's over", but she needed to rest, so I say goodnight Terrie, we'll see you when you awake on the other side, but until then rest, sleep peacefully and May GOD Rest Your Soul, AMEN. Praying for Her Children, Family and Friends — especially for My Friend Nysei.

“ My best friend; we worked beside each other at EPA for the last 14 years. I have so many good memories of us together, sometimes laughing so hard we had tears in her eyes holding our stomachs. So many conversations at work and after hours. So many stories between us so many things we shared. Terrie always put people before herself, always willing to support people and was always there showing up whenever needed, whether it be for work or personal. Every morning she had a smile on her face and something funny to share. My best friend, my prayer partner. There's no more pain my friend. You were a true friend. You will be greatly missed. My prayers go out to her family. Alana Maye
